

VASFAA will annually accept scholarship requests to provide support for individuals or institutions that might not otherwise be able to attend conferences or training. Our goal is not to provide ongoing support to a few individuals on a regular basis but rather to spread this support throughout the VASFAA community. The number of scholarship awards per year per conference will depend upon funding availability. Please note that there is an expectation that scholarship recipients will report back at the next VASFAA Business meeting or post something to the VASFAA listserv on what you learned at the conference. Applicants will be notified of the decision within 10 days of the application deadline.

Date _____

Name _____

Title _____

E-Mail _____

School _____

VASFAA Conference	Regional or National Conference
<input type="radio"/> Both Days - \$50 Dinner not included	<input type="radio"/> EASFAA (Registration Fee)
<input type="radio"/> Day 1 Only	<input type="radio"/> NSAFSA (Registration Fee)
<input type="radio"/> Day 2 Only	<input type="radio"/> Federal Student Aid (\$500)

Preference given to first time attendees, please indicate here if this will be your first time attending this conference ____.

VASFAA conference scholarship recipients should also complete the online conference registration form. On the registration form under payment method, select 'by check' in order to bypass the online payment process. The VASFAA Treasurer will then match the conference registration form to the scholarship application and no payment will be necessary, with the exception of the \$50 dinner cost. If planning to attend the dinner, please submit a check for \$50 to the address indicated on the registration form.

Regional or National Conference scholarship recipients should submit the VASFAA Expense Report following the Conference (form found on VASFAA website) to the VASFAA Secretary for reimbursement.

Please send completed scholarship application to the VASFAA Secretary at secretary@vasfaavt.org prior to application deadline.
